SECTION 3

3.0 RULES AND REGULATIONS

3.1 Claims

Although our movers will be careful with your possessions, from time to time damages may occur. If damages are caused by our service, we reserve the right to repair the damage(s) in question. If we determine that damage(s) cannot be repaired, customer will be compensated based on the level of coverage chosen, as set forth below.

3.1.1 Standard Valuation

This coverage is free with the customer move. In the event that anything is lost or damaged during the move, you will be reimbursed at \$0.60 per pound per article. That means if an item is damaged or lost, you are entitled to the value of the item or damage up to a maximum of the weight of the article times \$0.60 per pound. This value is often less than the actual value of your articles.

3.1.2 Depreciated Value Coverage

This coverage allows the customer to declare the total depreciated value of the shipment. If items are lost, damaged, or destroyed the customer is reimbursed the depreciated value of the goods declared or \$0.60 per pound per article, whichever is greater. This coverage costs \$0.50 for every \$100.00 of declared depreciated shipment value.

3.1.3 Full Replacement Coverage

This coverage allows the customer to declare the total value of their shipment. If articles are lost, damaged, or destroyed the customer is reimbursed the full value of the goods declared or \$0.60 per pound per article, whichever is greater. The coverage costs \$0.75 per \$100.00 of the declared total value of the shipment.

3.2 Presentation of Claims

If there is damage you discover on the day of your move, notify us immediately. All claims for loss, damage or overcharge must be written and attached to the Bill of Lading. In the event you have claims for concealed damage, The Company must be given a reasonable opportunity to inspect damaged items in their original packing. Our movers will complete a Damage Report before they leave your site.

If you discover damage after the move, call the office within 96 hours of your move.

The Carrier's liability shall not exceed the cost of repairing or replacing the lost or damaged property with material of like kind and quality. It shall also not exceed the actual cash value of the property at the time and place of loss, but in no event to exceed the released value.

Effective Date: _____

Gentle Giant Moving Company (NC), LLC South Carolina Household Goods Tariff

The carrier shall not be liable for loss or damage occurring after the property has been delivered to or receipted for by the consignee or shipper or authorized agent of either. When the Carrier is directed to unload or to deliver the property (or render any services) at a place at which the consignee or its agent is not present, the property shall be at risk of the owner after unloading or delivery.

Where the carrier is directed to load property from (or render any services at) a place or places at which the consigner or its agent is not present, the property shall be at risk of the owner before loading.

The Carrier's liability with regards to sets and matched pieces shall be limited to repair or depreciated replacement of the lost or damaged piece or pieces only and shall not extend to repair, replacement or recovering of the entire set, but in no event to exceed the released value.

No loss or damage claims will be honored until the charges for moving services are paid in full. You will be asked to sign a Moving Services Agreement acknowledging this.

LIMITATION OF LIABILITY ON READY TO ASSEMBLE FURNITURE (Made from Press board, particle board, engineered wood or ready to assemble)

Ready to assemble furniture is defined as meaning furniture manufactured from pressboard, particle board, engineered wood or similar materials which is shipped from the manufacturer in the knocked down "KD" or knocked down flat "KDF" condition to be assembled by the retail store, reseller or end user. Most is not designed with the extra wood structural pieces to adequately brace the unit for movement out of or into a residence, nor the normal truck vibration, even in air-ride trailers. It is not constructed to withstand the normal stress of a move as an assembled unit. Assembly instructions frequently suggest that the connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the pieces, but does make disassembly impossible without creating substantial, un-repairable damage.

When a Shipper elects to ship an article as defined above, in no case shall the liability of the carrier exceed \$0.50 (fifty cents) per pound per article or \$60.00 (Sixty dollars) per article, whichever is greater.

3.4 Items of Particular Value

We will not accept responsibility for safe delivery of such articles if they come into our possession with or without our knowledge.

3.5 Bill of Lading, Contract Terms, and Conditions

Each customer will be provided with a copy of the Company's Bill of Lading. The terms and conditions of the Bill of Lading are hereby incorporated by reference.

3.5.1 Electronic Paperwork

Electronic format of the above mentioned documents will be an acceptable format for paperwork between the Carrier, Customer, Office of Regulatory Staff and Public Service Commission.
